Movers and Shakers

Dawson's model

A person is historically significant if their actions match most of these statements:

- They made big changes in their lifetime.
- They made a lot of people's lives better or worse.
- They changed the way people think.
- Their ideas are still used today.
- They were a very good or very bad role model.

Categories of significant people

Significant people can be sorted into groups by what they did.

- An **activist** is a person who feels strongly about helping people, other living things or the planet. They protest to make changes happen.
- An **explorer** is a person who travels to places to find out what is there.
- A scientist is a person who discovers or invents new things.
- An artist is a person who creates works of art, including pieces of music, plays, poems, paintings, dances or sculptures.
- A **monarch** is a king or queen who rules a kingdom.
