At St Thomas, We Celebrate Everyone

At St Thomas, we are proud to be an inclusive school where every child is valued. We celebrate and understand both our similarities and our differences—because they make our community stronger.

We kindly ask parents and carers to support us by recognising the diverse needs of our children. Your empathy and understanding help us create a safe, respectful environment for all.

Together, we are role models of kindness, showing our children how to treat others with compassion and respect.

Thank you for being part of our caring school community.

In our school, we use kind words and calm voices

Thank you for setting a great
example for our students.

If you have a concern, we want to help.

Please address our team
with empathy,
understanding
the constraints
in which staff
operate.

Did you know that pharmacies can now offer **clinical appointments** with medication available if required for four **clinical conditions** particularly relevant to **school age children**?

- ✓ Earache (Children aged 1-17)
- ✓ Sore throat (Over 5 years)
- ✓ Infected insect bites (Over 1 years)
- ✓ Impetigo (Over 1 years)

THINK 'Pharmacy First'

GP practices are busy, and it can be difficult to get a same day GP appointment. When your child is off sick from school with any of the above conditions, by going straight to your local Lo's Pharmacy you can have a consultation with a trained pharmacist, receive advice and even medication if needed. Meaning children could be on the road to recovery and back to school as soon as possible.

Walk in's welcome
