Get set... we're taking part in Sustrans Big Walk and Wheel 2023 the UK's largest inter-school cycling, walking, wheeling and scooting challenge. The challenge runs from 20-31 March. It's free and we would love everyone to be involved.

### **What do you need to do?**

Encourage your child(ren) to walk, scoot or cycle to school on as many days as possible during the event. Class teachers will record these journeys in class.

### **Including everyone**

We want to make sure that everyone can get involved in Sustrans Big Walk and Wheel. We know it may be more difficult for some pupils to take part than others. If you want to discuss more about your child(ren)'s specific needs, please contact your child's teacher and we will make sure to look into how your child(ren) can take part, e.g. encouraging to park and stride.

### **Why we are taking part?**

Sustrans Big Walk and Wheel is a great way to build physical activity in children's daily routine which is important for their physical health and mental wellbeing.

Active school runs also help to reduce congestion and air pollution outside the school gate. [A 2021 YouGov study](#) showed nearly half of UK children worry about air pollution near their school. And that children thought active travel was the best away to bring down these pollution levels.

Plus there are some great prizes to be won every day if we get enough children taking part!

### **Useful resources**

To help you prepare, Sustrans has developed a handy free guide to walking, cycling or scooting to school. It is packed with advice to help you have hassle-free journey to school.

[Download your free family guide](https://www.sustrans.org.uk/sign-up-to-receive-your-free-school-run-guide/) using this link: <https://www.sustrans.org.uk/sign-up-to-receive-your-free-school-run-guide/>

For more information about the event go to [www.bigwalkandwheel.org.uk](http://www.bigwalkandwheel.org.uk) . Enjoy the challenge!

Best wishes, Active Travel

**Rotherham United will be coming to St Thomas on Thursday 23rd March!**

Each class will experience:

- An African dance workshop
- Participate in engaging classroom activities
- Embrace a different culture
- Taste African cuisine

To conclude the day, a Rotherham United player will be coming into school for a question and answer session.

We ask that the children wear Ghana flag colours (**red**, **yellow** and **green**) and donate £1. All proceeds will go to charity.

'Rotherham United have one of the greatest achievements in sporting history – signing the **FIRST EVER** black professional football player.

This was Arthur Wharton – he played for the club back in 1889-1894 before returning for another year in 1895. He was born in Jamestown, Ghana. He is now known for being the first ever black professional footballer but also for been the first ever recorded fastest man in the world running 100m in 10 seconds, a record he held for 30 years.

Jamestown is the chosen area where aid will be given, this is in honour of Arthur Wharton but also in honour of the roots and history of the club. The work done will be done with RUFC and RUCST at the heart.'

**Wrap Around Care**

After careful consideration we will be increasing the cost of our Wrap Around After School Care from £5 to £8 per session (2 hours) starting on the 17<sup>th</sup> April 2023.

To be able to continue providing this service we have unfortunately had no choice but to increase the fees to cover amenities and staffing.

I know a few parents/guardians have expressed their desire for the Wrap Around Club to extend its hours from 3.00pm to 6.00pm, but unfortunately at the current time we have made the decision to keep the hours as 3.00pm to 5.00pm.

Thank you for your understanding.
