

Year 4

Animals including humans

Digestive System: Companion Project Invasion

	Date 1:	Date 2:
1. What makes up the digestive system?		
2. How many types of teeth do humans have?		
3. What is the job of the molar teeth?		
4. Which foods are harmful to teeth? Why?		
4. What is the name for an animal that eats both meat and plants?		
5. What is a food chain?		
6. What is a 'producer' in a food chain?		
My questions about animals including humans:		
This is what I want to find out/do:
